Conference Topics

The aim of the conference is to exchange ideas, present research results and to discuss current problems and prospects of the development of logistics, with particular emphasis on the fields of information and organizational solutions.

In particular, we propose to take into account the following areas:

- Global Trends in Supply Chain Management
- Computer Applications in Logistics and Supply Chain Management (e.g. APS, ERP, Simulations and Modelling)
- City Logistics (Intelligent Transportation Systems, new solutions)
- Smart Logistics
- New Concepts (Lean, Flexible, Agile, Resilience, 3V, KPI) in Logistics Systems
- E-commerce
- Sustainable Logistics (CSR, Green Logistics)
- Logistics and the other areas of management
- Production Logistics

Dr inż. Eugenia Busłowska (Białystok University of Technology)

Dr inż. Katarzyna Cheba (West Pomeranian University of Technology, Poland)

Dr inż. Marlena Grabowska (Czestochowa University of Technology, Poland)

Dr inż. Marta Kadłubek (Czestochowa University of Technology, Poland)

Dr inż. Maja Kiba-Janiak (University of Economics in Wrocław, Poland)

Dr Sławomir Kłosowski (University of Zielona Gora, Poland)

Dr Sławomir Kotylak (University of Zielona Gora, Poland)

Dr inż. Dorota Kuźdowicz (University of Zielona Gora, Poland)

Dr inż. Tomasz Lis (Czestochowa University of Technology, Poland)

Dr inż. Marcin Relich (University of Zielona Gora, Poland)

Dr Paweł Szudra (University of Zielona Gora, Poland)

Dr inż. Aneta Wiktorzak (Lomza State University of Applied Sciences)

Conference Location

Conference location: Zielona Góra, Poland.

Venues and accommodation to be announced at a later date.

Additional Information

After receiving a positive review (double review), articles will be published in the journal "Przedsiębiorczość i Zarządzanie" (14 pts.) or in the monograph (in English). Each participant may indicate their choice of publication in the application form.

The conference is expected to feature five thematic sessions and a poster session. There is the opportunity to present papers in English or Polish. Please select the preferred language and form of presentation on the application form. Latest information about the conference will be published on the conference website (www.logistics.uz.zgora.pl).
